

New Hope Fellowship Downtown Campus Pastor

New Hope Fellowship (NHF) is the English Ministry of Light Presbyterian Church, and is an active member of the denomination: The Korean Presbyterian Church Abroad – English Presbytery. We are a tri-campus church located in Mississauga, Downtown Toronto and Uptown Toronto in Ontario, Canada, that celebrates and proclaims Jesus' message of new hope. Our vision is to be a congregation that moves with a gospel-centred, missional spirituality.

At Downtown, our focus is:

- To be rooted in God's Word and gospel-centered in all our interactions.
- To missionally live out the gospel and make an impact to those around us.
- To raise leaders to transform communities both locally and abroad.
- To raise and multiply disciples through small groups.

Planted in 2006 in the heart of Canada's largest and most diverse city, NHF Downtown serves a unique demographic of students, young professionals, and families. Although we are predominantly of Asian ethnicity, we continue to become more multi-ethnic and multi-generational. We are looking for an experienced Lead Pastor to lead our Downtown congregation based on the vision and focus above. This person will work alongside NHF Downtown's current Pastor and will report to the Senior Pastor of the New Hope Fellowship tri-campus church.
