## OBJECTIVE

---

My ambition is to lead people to a greater understanding and appreciation of the New Testament, its language, its interpretation, its theology, and its application. To achieve this goal, I have prepared myself to teach courses in biblical Greek (beginning, intermediate, and advanced), linguistics and the social sciences, New Testament exegesis, New Testament hermeneutics, history of interpretation, and biblical theology, as well as to contribute to both academic and ecclesial communities through publishing, teaching, and preaching.
