Proposed Dissertation Title: _____

To be considered for a seventh year of enrollment, DPT students must meet the following criteria:

- Have their proposal approved by the faculty.
- Have completed **at least 2 chapters** of their dissertation by the time of application. These chapters must be deemed acceptable by the faculty supervisory committee as DPT-level work.
- If approved by the faculty for a seventh year, students **must** complete their dissertation according to the following deadlines:
 - o **December 1 (if finishing in Winter) / August 1 (if finishing in Fall)** – First full draft completed and submitted to supervisory committee.
 - o **February 1 (if defending in Winter) / October 1 (if defending in Fall)** – Defence copy submitted to Registrar’s office.

Student Signature: _____

The above signature indicates that I understand and accept these terms in applying to be considered for a seventh year in the DPT program.
