

**Entering the Academy**  
MDC Advanced Degree Colloquy  
Thursday, October 5, 2023  
Hurlburt Room

This colloquy is designed to help prepare MDC advanced degree students for the process of gaining employment and working in the academy in a faculty or administrative role. This colloquy is required for PhD students. MA students are strongly encouraged to attend. Some of our core faculty will be sharing their experience as administrator and faculty participants on hiring committees.
